Organisation

Problem solving and critial thinking

Computer and digital Literacy

Strong work ethic

ABOUT ME

Although I am visually impaired, I approach challenges with persistence and a strong work ethic, allowing me to adapt quickly and effectively. I am highly motivated to start working as soon as possible, building my independence and demonstrating maturity beyond my years. In my spare time, I enjoy gaming and working on personal tech projects, such as maintaining my website and managing my home network, which reflects my attention to detail and problem-solving skills. I am enthusiastic about joining your team, bringing a positive attitude, a willingness to learn, and a commitment to providing excellent customer service.

WORK EXPERIENCE

MCDONALDS - CREW MEMBER

- Demonstrated reliability and punctuality in a fast paced environment.
- Consistently maintained cleanliness of the indoor and outdoor seating areas, kitchen and gardens.
- Collaborated with team members to achieve a shared goal.
- During my time with McDonalds I was granted the “People Month” award. This was given to me to recognise my enthusiasm, customer service standards, and living the company's core values.

WORK EXPERIENCE - ENTOURAGE TECHNOLOGY TAMWORTH

- Assisted the Help Desk team in troubleshooting and resolving IT issues for clients, including printer, computer, and server-related problems.
- Supported staff in diagnosing technical faults and implementing solutions through backend systems.
- Gained hands-on experience in IT support, problem-solving, and customer service within a professional technology environment.
